

Welcome to the APFI Nordic Summit 2016

Debating the future of fund selection

Exploring the implications of digitalisation on the role and function of professional fund investors

Tell Media Group, on behalf of the Association of Professional Fund Investors (APFI), is proud to invite you to the APFI Nordic Summit. This unique event is hosted to coincide with the seventh annual Nordic Fund Selection Awards in Stockholm on November 10.

Date: November 10, 2016

Time: 12.00–15.00

(Lunch 12.00–13.00, followed by discussions)

Venue: The Royal Coin Cabinet | Slottsbacken 6
111 30 Stockholm

We will debate:

- Striking a balance – is there a role for robo-selectors and where does that leave humans?
- Exploring the potential efficiencies of a digital standard for due diligence information gathering
- Is the rise of passive investing a natural outcome of digitalisation and what are its limits?

About APFI

The Association of Professional Fund Investors (APFI) was established in 2011 and it serves as a global forum for its members to drive the development and exchange of global best practice in the areas of research, analysis, due diligence and the selection of asset management products. APFI is dedicated to the advancement of the interests of professional fund investors and voicing the collective perspective of its members on key topics and trends within the global asset management industry. Learn more and join the association at www.profundinvestors.com.
